* Bron : Amundi. De voorgaande prestaties dekken volledige periodes van 12 maanden voor elk kalenderjaar. In het verleden behaalde resultaten vormen geen richtsnoer voor huidige of toekomstige resultaten en bieden ook geen garantie voor toekomstige rendementen. In de eventuele winst of het eventuele verlies zijn niet de eventuele aan de emissie of inkoop van deelnemingen verbonden, door de belegger te dragen kosten, vergoedingen of bijdragen verrekend (bijv. heffingen, makelaarskosten of andere door financiële tussenpersonen geïnde vergoedingen). Als het rendement in een andere valuta dan de euro wordt berekend, kan de eventuele winst of het eventuele verlies ook door koersschommelingen worden beïnvloed (zowel opwaarts als neerwaarts). De afwijking geeft het verschil weer tussen het rendement van de portefeuille en dat van de index.

Belangrijke informatie**Note on the Fund management company and the fund**

French fund "Fonds Commun de Placement" authorized by the AMF (Autorité des Marchés Financiers), (the "UCITS" or the "Fund").

The Fund is described in a Key Information Document (KID), or Key Investor Information Document (KIID) for UK investors, and prospectus. The Funds KID, or KIID for UK investors, must be made available to potential subscribers prior to subscription.

The Funds reference material (KIID, prospectus, annual and semi-annual reports) can be obtained from Amundi on request, or obtained via the amundiETF.com website.

In the United Kingdom (the "UK"), this website is being issued by Amundi (UK) Limited, 77 Coleman Street, London EC2R 5BJ, UK. Amundi (UK) Limited is authorised and regulated by the Financial Conduct Authority ("FCA") and entered on the FCA's Financial Services Register under number 114503. This may be checked at <https://register.fca.org.uk/> and further information of its authorisation is available on request. Each fund and its relevant sub-fund(s) under its respective fund range that is referred to in this website (each, a "Fund") is a recognised collective investment scheme for the purposes of Section 264 of the Financial Services and Markets Act 2000 (the "FSMA").

Potential investors in the UK should be aware that none of the protections afforded by the UK regulatory system will apply to an investment in a Fund and that compensation will not be available under the UK Financial Services Compensation Scheme.

Regarding Funds admitted on a regulated market, the listing is subject to a volatility control mechanisms to ensure that the ETF price does not deviate significantly from a reference price set by the listing rules of the relevant regulated market, notably through the implementation of a trading halt mechanism in case of significant deviation from this reference price.

The Fund offers no capital guarantee. Investors may not get back the full amount of their initial investment, particularly in the event that the benchmark index falls. Subscribing to a UCITS may involve risks. Potential investors are advised to read the Funds risk profile, which is described in detail in the prospectus. The amount that is reasonable to invest in the Fund will depend on the personal circumstances of each investor. To determine this amount, investors should take into account their financial situation, personal assets, and current and future requirements, as well as considering their willingness to accept risks or conversely their preference to invest cautiously. Investors are also strongly recommended to sufficiently diversify their investments so as to avoid being exposed solely to the risks of this Fund. Investors should therefore seek advice in this regard from their usual advisors (legal, tax, financial and/or accounting) before purchasing any units of the Fund.

The source of the data contained in this document is Amundi Asset Management unless otherwise stated.

Policy regarding portfolio transparency and warning on secondary market

The policy regarding portfolio transparency and information on the funds assets are available on amundiETF.com. Shares purchased on the secondary market cannot usually be sold directly back to the fund. Investors must buy and sell shares on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees for doing so. Investors may pay more than the current net asset value when buying shares and may receive less than the current net asset value when selling them.
